

Two So Far

MAID OF ALBANY ENTRY DEADLINE TOMORROW

Historically, girls enter the Maid of Albany contest at the last minute.

Historically, the deadline for entering is extended.

If you are thinking about entering and are waiting until the last minute and/or an extension, you may be disappointed because 5 p.m. tomorrow, Thursday, May 12, is the positive, final, absolute deadline.

As of Monday, only two girls—Penny Hendrickson and Kathleen Valentine—had entered the contest.

Albany Jaycees, who have planned a gala evening and many prizes for the new Maid, are crying a lot as days pass and no more lovelies enter the contest.

Prizes include a \$200 scholarship, trip to Disneyland, chance to represent Albany at the Alameda County Fair and compete for Maid of Alameda County, free photographs by Theo Kann, official contest photographer, the tiara, roses and identification streamer.

At its meeting Tuesday, the Chamber of Commerce board voted to give the Maid a \$50 U.S. Savings Bond.

Judging the contest, which will begin at 7:30 p.m. Saturday, May

21, at Albany High School auditorium will be Jack Newton, president of El Cerrito Chamber of Commerce; Joe Dagna, president of Albany Chamber of Commerce; Albany Mayor Richard O. Clark; Police Chief Ralph Jensen and Times Editor Dorothy Larimer.

Candidates must be 17 years old by Aug. 1, and no older than 23 by the same date. She must be a resident of Albany or attend Albany High school and have a mailing zip code of 94706.

Applications are available at Albany Chamber of Commerce, 1108 Solano, or the Albany Times, 1240 Solano.

The Gleasons' son, Michael, recently returned from Finland, having spent a summer there as an AFS student, and this year, another "son" has been added to the family, Sunborn Siyarnnork, an AFS student from Bangkok, Thailand.

Dr. Gleason is a practicing physician with offices in Oakland.

The May 18 luncheon meeting will be held at Serb's Restaurant at 12:15, with President Helen Fake presiding.

Conference Picketed

GODFREY OF ALAMEDA NAMED TO BARTD BOARD

Alameda County Mayors Conference, meeting last Wednesday night at Golden Gate Fields in Albany, elected William Godfrey, Mayor of Alameda, to replace Felix Chialvo of Oakland on the board of directors of Bay Area Rapid Transit and Fremont Mayor Don Dillon as chairman of the conference for the coming year.

Those arriving for the session at 6:30 had to walk through a picket line of about 15 men, women and children who protested alleged racial discrimination by Rapid Transit in hiring practices and unfair treatment of those forced from their homes by construction of the line. The group wanted mayors to appoint the Rev. J. Russell Brown, pastor of First African Methodist church of Oakland, to BARTD's board, but according to by-laws, the appointment had to be a mayor, supervisor or councilman.

Mayors voted to break precedent and allow a spokesman for the pickets to address the group. The speaker was Thomas L. Fike, attorney representing East Bay Conference on Religion and Race and Justice on Bay Area Rapid Transit.

"Most BARTD jobs will be filled by all whites," Fike charged, adding that 88 per cent of the Negroes in Richmond will be walled off from the white community when the transit line is completed.

"BARTD should meet these social problems," he said. "If it does not meet these problems, BARTD will not be built... a member of a minority group should be appointed to the board of directors. This is primarily a communications problem and

Jack Maltester of San Leandro, chairman of the nominating committee, announced selection of Warren Harding of Pleasanton as candidate for conference chairman and Dr. Dean Hoskins of Piedmont as vice chairman. The conference, however, elected Mayor Donald Dillon as chairman. Hoskins was elected vice chairman.

Early Reservations Urged for C of C Dinner on June 1

The annual dinner meeting of Albany Chamber of Commerce will be limited to the attendance of 100 persons Wednesday night, June 1, when the affair will be held in Albany for the first time in years. This year's event will be at Serb's, which has recently expanded.

Ticket Chairman Bud Read will accept reservations at 1391 Solano (526-3436) or tickets will be available at Security Savings and Loan (Bernice Boyd) at 1377 Solano. They are priced at \$5.50.

Social hour will begin at 6:30 with roast beef a la jus dinner at 7:30. President Joe Dagna and other new officers will be installed and special awards will be presented. There will be no formal entertainment or speeches in the streamlined session. Emphasis will be on fellowship, not business.

Those planning to attend are urged to make reservations early because tickets will be on a first come-first served basis, Read said.

Council Moves to Improve Key Route, Santa Fe

With Councilman Joe Carlevaro absent, Albany City Council Monday night voted 4-0 to pass a resolution to improve portions of Key Route, Blvd., and Santa Fe Avenue at a total cost of \$49,000.

Acting on the recommendation of Administrative Officer James B. Turner, Council okayed the reconstruction of the southbound portion of Key Route between Washington and Solano, installation of subdrains and paving the

complete length of the southbound lanes from the north city limit to Solano at a cost of \$37,000 and resurfacing Santa Fe from north city limits to Solano at a cost of \$12,000.

In other action in the half-hour session, Council approved a partial payment to Amoroso and Company of \$48,922.75. Turner recommended the payment because most of the ceiling difficulties in new city buildings have been corrected. Withheld were \$406, representing a PG&E bill paid by the city; \$203.92 for liquidated damages to the city (rent paid Jim Wouffe Ford and Mechanics bank), and \$1,500 for miscellaneous items on the "punch list."

Due to the absence of Carlevaro, the resolution approving his appointment of John Klacohn to the Park and Recreation commission was held over one week.

Albany Jaycees were granted budgeted funds amounting to \$350 for the Maid of Albany contest. A letter confirming the new expanded Blue Cross plan for city employees was filed. The mayor was authorized to proclaim June as City of Hope month.

City Clerk Myrtle McLean was directed to write to the City of Coachella thanking them for a resolution supporting members of the armed forces and indicating Albany's proud similar action.

Turner was asked to make recommendations on two communications—from the County Board of Supervisors declaring interest in a uniform ordinance regulating signs along the Rapid Transit route, and one from East Bay, division of League of California Cities asking for recommendations on program content at the next annual League meeting.

DKG Installation Dinner on May 18

On May 18, a dinner meeting will precede the biennial installation of the newly elected officers of Epsilon Theta Chapter of Delta Kappa Gamma. The new slate of officers includes: Miss Margaret Gilchrist who will be starting her second term as president; Mrs. Beth Heckman, first vice president; Mrs. Ida Chry, second vice president; Mrs. Ruth Rodrick, recording secretary; Mrs. Betty Lott, corresponding secretary; Mrs. Frances Tilbury, treasurer, and Miss Virginia Cullinane, parliamentarian.

Following the installation will be a short Founder's Day ceremony honoring the 12 women who founded Delta Kappa Gamma on May 11, 1929.

At the conclusion of the meeting, Miss Gilchrist will give a report on the state convention held at Del Webb's Townhouse, Fresno, the weekend of April 30. The theme of the convention was "Creativity."

May 22 Proclaimed 'Maritime Day' Here

May 22 has been proclaimed by Mayor Richard O. Clark as "National Maritime Day" to publicly recognize the importance of the American Merchant Marine, its ships and the men who sail them. The date commemorates the sailing of the first transoceanic steamship, the SS SAVANNAH in 1819. Because May 22nd falls on a Sunday this year, the President has requested that citizens observe National Maritime Day on Monday, May 23, by flying the Flag and through appropriate ceremonies.

Mayor Clark noted that "the American Merchant Marine plays a vital role in the development of our economy and in support of our national security. Exporting is necessary to sell surplus agricultural commodities and industrial products, while imports supply raw materials for most of our basic industries as well as for the satisfaction of consumer demands."

"The contribution of the American merchant marine to U.S. military commitments cannot be overlooked. U.S. operations in Southeast Asia today require the full support of American shipping for the transport of military cargo."

"For this reason, it is especially appropriate today that Americans pay tribute to our merchant marine for its continued contribution to the American economy and to the peace and security of all Americans."

MUSICAL, TEA

The Guild of St. Albert's College will sponsor a tea and musical in the garden of the college, 6172 Chabot Rd., Oakland, at 1 p.m. today, May 11.

Next C of C Luncheon Monday

Directors of Albany Chamber of Commerce were urged by new president, Joe Dagna, to plan to attend the luncheon meeting at noon Monday, May 16, at Serb's to hear Ron Bailey, an executive of the U.S. Chamber of Commerce.

Dagna announced that Mayor Richard O. Clark and Councilman George Hein, both Chamber members, will serve as co-chairmen of the annual July 4th fireworks project.

Also announced at the Tuesday morning meeting at Chamber of Commerce headquarters were Dagna's appointments: Elmer Coble, finance chairman; Bill Johnson, administrative chairman; Bob Rhea, Christmas decorations, and William I. Garren and John Fleich, Solano street lighting.

Directors discussed renovation of the chamber office, plans for which have been drawn by Dr. Art Longpre and Garren. Renovation hinges on the availability of a lease.

Following a report from Chairman Bill Johnson on the business directory, the board voted to commend Johnson and Albany Jaycees, who distributed the new directory, for their efforts.

Saturday, April 30, officially declared Frog Day by Berkeley Mayor Wallace Johnson, was given official sanction by the Angels Camp-Calaveras County Fair Committee. Linda Porter New Red Cross Youth Program Director

Linda Porter

The appointment of Mrs. Linda Porter as new director of the Berkeley Chapter Red Cross youth program has been announced by Royce Clayton, chapter chairman.

Born in Albany, and a longtime resident of the Bay Area, Mrs. Porter attended Albany High school, and received her BA degree from San Jose State college. Since her graduation in 1962, she has been associated with Station KTVU and the Nuclear Electronics Lab, Inc., in their public relations departments.

Her Red Cross activities, however, are what makes Linda Porter particularly suited to her present position. At Albany High school, after active volunteer work in the High School Red Cross, she was sent to the Leadership Training Center at Gifu, Japan and Hawaii in 1956. In 1957 she was a member of the Pacific Area Council of the Red Cross and during 1957-58 she was the first junior member of the Berkeley Red Cross chapter board of directors. Her familiarity with Red Cross is therefore of long standing and of the type that would give her insight into the attitudes and needs of youth as volunteers.

Other experience includes appointment to the Governor's advisory board on youth and children, from 1956 to 1960. She is also a member of Pi Alpha Nu, professional public relations fraternity, and Gamma Phi Beta, social sorority. She also wrote, produced and helped film a documentary on foreign students attending San Jose State.

Linda Porter's hobbies, which might be expected, are writing,

Ellyn Celia Paintings At Library

Ellyn Celia is exhibiting 17 paintings at the Albany Library through the month of May.

The artist attended San Francisco State college for two years, majoring in art. She now attends Oakland City College where she is an art major. In fall, she plans to transfer to the College of Arts and Crafts and will major in design.

Miss Celia has had one-man shows at the North Berkeley Beauty School and at the Triple D Motel at Lake Tahoe. She also exhibited works in the Albany Merchants' Bazaar.

An exhibit of United States campaign medals will also be on view at the Albany Library through May.

The collector informs us that the first United States campaign medals were authorized in 1905 for the Civil War and the Indian Wars. They were followed by the Spanish American War medals and the various "colonial" medals. Until 1905 no campaign medal existed since the United States frowned upon medals and decorations as examples of European aristocracy.

The collector, who lives in Albany with his wife and children, also tells us that medal-collecting forms a branch of numismatics. He has been collecting for three years, and all of his medals have been acquired in the Bay Area.

PG&E Employees Given Awards

Among 75 employees of Pacific Gas and Electric company honored with service awards at a dinner last night at Goodman's in Jack London Square in Oakland were Albany's G. C. Stanley, 25 years, and E. H. Lewis, 15 years.

Those from Berkeley included L. L. Neubacher, 35 years; W. Noon, 20; J. F. Shook, 15; B. E. Tanksley, 15; and T. F. Henry, 10.

A Tired American Speaks Out

(Courtesy Albany-El Cerrito Exchange Club)

I am a tired American.

I'm tired of being called the ugly American.

I'm tired of having the world panhandlers use my country as a whipping boy 365 days a year.

I am a tired American—tired of having American embassies and information centers stoned, and sacked by mobs operating under orders from dictators who preach peace and breed conflict.

I am a tired American—tired of being lectured by Gen. De Gaulle (who never won a battle) who poses as a second Jehovah in righteousness and wisdom.

I am a tired American—tired of Nasser and all the other bloodsucking leeches who bleed Uncle Sam white and kick him on the shins and yank his beard if he flows falter.

I am a tired American—tired of the beatniks who say they should have the right to determine what laws of the land they are willing to obey.

I am a tired American—fed up with the mobs of scabby-faced, long-haired youths and short-haired girls who claim they represent the "new wave" of America and who sneer at the old fashioned virtues of honesty, integrity, and morality on which America grew to greatness.

I am a tired American—tired of death of having my tax dollars go to dictators who play both sides against the middle with threats of what will happen if we cut the golden stream of dollars.

I am a tired American—who is tired of supporting families who haven't known any other source of income other than government relief checks for three generations.

I am a tired American—who is getting madder by the minute at the fifth peddlers who have launched Americans in an obscenity race—who try to foist on us the belief that fifth is an integral part of culture—in the arts, the movies, literature, the stage.

I am a tired American—tired of the bearded bums who tramp the picket lines and the sit-ins—who prefer Chinese Communism to capitalism—who see no evil in Castro, but sneer at President Johnson as a threat to peace.

I am a tired American—who has lost all patience with that civil rights group which is showing propaganda movies on college campuses from coast to coast—movies denouncing the United States—movies made in Communist China.

I am a tired American—who is angered by the self-righteous breast-beater critics of America, at home and abroad, who set impossible yardsticks for the United States, but who never apply the same standards to the French, the British, the Russians, the Chinese.

I am a tired American—sickened by the slack-jawed bigots who wrap themselves in bed sheets in the dead of night and roam the countryside looking for innocent victims.

I am a tired American—who resents those who try to peddle the belief in schools and colleges that capitalism is a dirty word and that free enterprise and private initiative are only synonyms for greed.

They say they hate capitalism, but they are always right at the head of the line demanding their share of the American way of life.

I am a tired American—real tired of those who are trying to sell me the belief that America is not the greatest nation in all the world—a generous-hearted nation—a nation dedicated to the policy of trying to help the "have nots" achieve some of the good things that our system of free enterprise brought about.

I am a tired American—who wants to start snapping at those phony "high priests" who want us to bow down and worship their false idols and who seek to destroy the belief that America is the land of the free and home of the brave.

I am an American—who gets a lump in his throat when he hears the "Star Spangled Banner" and who holds back tears when he hears those chilling high notes of the brass trumpet when Old Glory reaches the top of the flag pole.

I am a tired American—who thanks a merciful Lord that he was lucky to be born an American citizen—a nation under God, with truly mercy and justice for all.

In an informal poll to serve as a guide for a special meeting slated Monday to elect a representative to the Bay Area Pollution Control District, mayors voted 10-3 favoring former Piedmont Mayor Laurence Kelly.

Mayors went on record approving a resolution offered by Newark Mayor Kenneth Foster to oppose mandatory curbside delivery of mail. The mayors suggested leaving it to the discretion of cities involved.

Donald Dillon

William Godfrey

Albany Mayor Richard O. Clark met with the conference for the first time as an official member. It was noted that only five of the 13 mayors who make up the conference survived recent elections.

All members of Albany City Council, Administrative Officer James B. Turner, City Attorney Larry Saler, Chamber of Commerce President Joe Dagna and Chamber Manager Neal Clarity attended the meeting. The Chamber of Commerce hosted the social hour before the meeting and distributed souvenirs, including the new city directory.

Pa., had read that the boys who found Judy Williamson were hunting burl. If anyone handles them locally, you may write her at 511 East Sheridan Ave., New Castle, Pa. 16101.

SOCIAL ITEM: Alden (Al) Thorogood, who is with Ellis-Olson Mortuary, will take Louise M. Frachia as his bride at 2 p.m. Saturday, June 23, at St. Ambrose Catholic church. Says Al, "I've spent the first 50 years of my life single. I'm going to try the next 50 as a married man."

DICK JENSEN, son of Police Chief and Shirley Jensen, is home on leave after navy duty aboard the USS Kitty Hawk, will leave the end of the month for the East Coast and submarine duty.

THOUGHT FOR A while last Friday we might have a kindergarten reject at our house. The last chick, Lisa, is ready to enter school but we can't find her polio shot records. They're pretty adamant about it and it's a good thing, but it would be terrible to be washed out at kindergarten level!

HERE WE GO AGAIN—The date is Saturday, May 21. Events reported so far: Maid of Albany Contest, high school auditorium; public variety show sponsored by

Albany-El Cerrito Exchange club at Eagles hall, and a dinner-dance at Starboard Lounge, Jack London Square, honoring four retiring Albany teachers and sponsored by Albany Teachers' association. Grrrrrr!

AN ELATED Fern Luoma, who always bets on horses named Bob because that's her husband's name, made \$118.80 on a combination bet on Leo Bob last Thursday at Golden Gate Fields. Another woman we've heard about makes money betting on horses named after drinks, such as Gin Fizz. Then there's an employee of the tracks who bets his age on the daily double and has done quite well.

THE NEW school buildings at Albany High seem to be taking shape on schedule as is the new

Mechanics Bank at the corner of Washington and San Pablo. Even the Rapid Transit line doesn't look bad now that they've leveled the land. At the new Civic Center, they have installed "In God We Trust" in the Council chambers, put water in the fountain to "cure it" and were to have started installing colored telephones Monday (Bud Rooney selected green—others are beige).

CONGRATULATIONS, BILL JOHNSON, on being named Outstanding State Director for District III, Junior Chamber of Commerce! Bill and Jack Dempster represented the local Jaycees at the state convention in Palm Springs last week-end.

DON'T FORGET BILL FEENEY NIGHT tomorrow at the Claremont Hotel.

How pilot lights work; and what you can do when they don't.

How to tell when a pilot is out

You turn on a gas range burner and it doesn't light. Or a furnace won't go on. Or there's no hot water. This probably means the pilot light is out.

Gas range pilots

A gas range usually has more than one pilot. If you're not sure where your pilot or pilots are located, check your owner's manual. Or, if you can't find it, call us.

Before relighting a pilot, be sure all burners are turned off. Allow a few minutes for the air to clear, then touch a lighted match to the pilot opening. The pilot should light with a small blue flame, and the burner should light when you turn on the control. If the pilot or the burner fails to light, call us. We'll send a man out to check it.

Furnace pilot

If the pilot of any gas heater or furnace goes out, turn off the main burner valve. Allow ten or fifteen minutes for any accumulated gas to clear before relighting the pilot (following the instructions shown on the equipment). With the pilot relighted, the heater or furnace should operate. If it won't, call us.

Water heaters and clothes dryers

All modern gas water heaters and dryers shut off completely if the pilot goes out. And most models bear manufacturer instructions for

relighting the pilot. If you are unable to get the appliance operating, call us or your appliance dealer.

Leave pilots lit

Some folks prefer to shut off furnaces and water heaters during the summer, or when they go away on vacation. You'll find it more convenient to turn off the main burner, but not the pilot. When the pilot is lighted, your furnace is ready to work on a cold day. Most water heaters can simply be turned to "PILOT." This position keeps the pilot lighted, but prevents the main burner from heating water.

Gas leaks

Warning: Never look for a gas leak with a lighted match or candle. Any suspected gas leak should be reported promptly to PG&E. We'll send a service man out to check it.

PG&E is ready to help

If you call for a PG&E service man to check out any gas leak or an inoperative gas appliance, ask him to show you where your gas pilots are located and how to go about relighting them. If repairs or parts are required for an appliance, an appliance or furnace man should be called.

Your biggest household bargain

There have been five reductions in gas and electric rates in the past three years. This makes PG&E service a bigger family bargain than ever.

'Plant Blooms for Alberito' Theme of Plant Installation

With the theme, "A Plant Blooms for Alberito," Dolores Plant was installed as president of Alberito Club of Business and Professional Women at ceremonies held at Kirby's, El Cerrito Plaza, April 19. Eleanor Rasar, organizer of the club when chartered in 1954, was the installing officer.

Miss Rasar spoke impressively of Federation objectives: to elevate the standards for women in business and the professions; to promote the interests of business and professional women; to bring about a spirit of cooperation among the business and professional women of the United States and to extend opportunities to business and professional women through education along lines of industrial, scientific and vocational activities.

The newly installed and well-briefed officers are president-elect, Irene MacWilliams; recording secretary, Selma Lee; treasurer, Ruth Sloan; financial secretary, Marietta Ferreira; parliamentarian, Laura Roderick, and

Hush-Hush Meet For Senior Parents

by Dick Porterfield

Another "hush-hush" meeting of parents of "Albany Grads '66" was recently held at Albany High school Thursday, April 21. Planning and preparations by all committees are entering the final stages and what a count-down this has become.

Secrecy has continually been employed in keeping the facts from all graduating seniors; however, I can't be trusted.

Our entertainment committee has engaged the services of a terrific combo known as the "Just 6" who will provide your kind of dance music for the evening. They tell me this is a very popular group, that their services are much sought after, but believe me the contract is signed and they will be at the Golden Gate Fields Club House graduation night, Thursday, June 16.

Well, there you have it, Seniors. From here on out my lips are sealed!

Folk Dance Class

Live Oak-Garfield folk dance class will begin another beginners class Monday night, May 9, from 8 to 10:30 p.m. at the Live Oak Recreation Center, Shattuck and Berryman Streets.

Instructors for the class will be Mr. and Mrs. Alfred Hartzell and the cost will be \$6 for the series of 12 classes. New beginners are encouraged to attend.

The programs are sponsored by the Berkeley Recreation and Parks Department.

LARUKA COUNCIL

Degree of Pocahontas, Laruka Council 46, will hold the next regular business meeting Thursday evening, May 12, at 8:15 p.m. at the Foothill Boulevard Women's Club, 2535 Mason Street, Oakland. All members are urged to attend this meeting, as a drill will be held in preparation for the official visit of the Great Pocahontas, Lottie Bell Winkler, June 9.

OPENINGS ANNOUNCED AT U. VILLAGE NURSERY

There are a couple of openings in the five-day afternoon session at Albany Parent Nursery school, University Village. Interested parents should contact Mrs. David Eckhoff at 524-7100. Children must be at least four years old. Mrs. Eckhoff is also taking names for the waiting list for the Tuesday, Thursday morning session. Ages for this group are three to three years nine months. Parents interested in enrolling for the fall session may pick up and return applications at the nursery school any day until 3 p.m. or contact the Albany Board of Education. The fall semester will begin Sept. 15 with an orientation for parents. The nursery school will open Sept. 19. This has been a busy spring for the nursery school children. They have been to the Oakland zoo, to Lake Merritt for a boat trip, to Tilden Park for a visit with the naturalist and a barbecue. On the agenda for the Thursday night adult education class are talks by Roger Ruth, Albany schools psychologist, May 12; and

Polish Color Film in S.F. Sunday

Albany area residents have been invited to attend the only Bay Area performance of a new musical color film on Poland celebrating 1,000 years of Christianity at the Curran Theatre in San Francisco at 3 p.m. Sunday, May 15. Irene Visser of Oakland urged families to bring their children to this important showing. The theatre is at Geary near Mason.

a panel of Albany kindergarten teachers, May 19.

Starting the second week of play, the Dodgers and the Albany Lions Club Cards have taken the lead in the Albany Little League's National League. The Albany Tire Service Cubs and the Braves are tied for second place with the Giants and Pirates trailing.

In Thursday's game against the Braves, Cards third baseman Matt Gray hit two homers and

Braves catcher Art Ferrara hit his first. Winning pitcher Bob Stovel led the Cards to an 8-5 victory. Earlier the Braves beat the Giants 10-7 and the Dodgers won their game with the Pirates 5-4. Saturday's game between the Dodgers and the Giants kept the Dodgers on top with Jon Van Coops pitching a two-hitter to bring victory over the Giants, 3-0. Cubs' Tom Homan has chalked the first no-hitter this season, when he hurled against the Pirates Saturday at 3 p.m. Homan struck out 10 Pirates to win 12-1. Ralph Valentine and Bob Allen were the Pirates pitchers, Valentine for four innings and Allen the fifth. American League scores for the week are Angels 7, Athletics 7, Red Sox 3, Indians 12, Yankees 11, Orioles 2, Red Sox 2, Twins 10, and White Sox 18.

Vince's Barber Shop giving hair cuts to the American League's home hit two Thursday. The more hair cut to be the first Albany Little League to pitch the first strike.
